The primary purpose of the Crochet Guild of America is to educate the public about crochet, provide education and networking opportunities, and set a national standard for the quality, art and skill of crochet through creative endeavors.

Anyone interested in being a part of our local chapter is invited to fill out the application attached . We could not exist as a local chapter without the support of the National CGOA organization. Because of this, we encourage those who want to become members to join both the national and local organizations. This will be of great benefit to you and to the ongoing work of preserving and furthering the art of crochet.

**NORTHERN ILLINOIS
CHAPTER
of the
CROCHET GUILD OF
AMERICA**

The Northern Illinois Chapter of the Crochet Guild of America is dedicated to promoting the age-old craft of crocheting. This growing group invites all crocheters, whether brand new or experienced, to join in the fun and excitement of crocheting together.

NORTHERN ILLINOIS CHAPTER

DO YOU LIKE TO CROCHET?

If so, this is the group for you. The Northern Illinois Chapter (NIC) of the Crochet Guild of America invites you to share an abundance of crocheting resources. Skilled members share their expertise at every meeting. Topics include filet crochet, Irish crochet, bead crochet, hairpin lace, free-form and finishing techniques. Members are eager to help each other understand difficult patterns, master new techniques, share pattern resources, develop new creations and encourage one another to create without patterns. All this happens in a fun-filled atmosphere of camaraderie promoted by creative people of all ages.

ACTIVITIES SPONSERED BY NIC INCLUDE:

SHOW AND TELL

Monthly meetings begin with business and announcements of interest to crocheters. This is followed by individuals showing their newest creations to the group. If you have a special crocheted project, bring it to share during Show and Tell.

MENTORING

If you would like to be assigned a mentor just let us know. We have several members willing to help those needing assistance on an individual basis. If you would like to be a mentor we would be happy to have you.
